

## London Bridge 3 Victimisation Dispute

# ALL LU STATIONS BALLOT STARTS NOW!

In light of the deplorable treatment of our three members including Brother Cornell's dismissal after 10 years service via an utter miscarriage of justice, your union has taken the decision to escalate this dispute and ballot **ALL** Stations Grades and Revenue Control Inspector members for strike action and industrial action short of a strike.

## Vote Yes X

**For Strike Action & Actions Short of a Strike**

The ballot papers will be posted to you on **Monday 15<sup>th</sup> May** and the closing date for this ballot is **Tuesday 13<sup>th</sup> June 2017**.

**\*Please ensure you vote as the new Anti-Trade Union Laws brought in by the government this March 2017 WILL MEAN THE BALLOT MAY FAIL IF YOU DON'T!!!**

We must defend our London Bridge Station Staff Members, what LU Management have done to these completely innocent Stations Members can now happen to you unless we bring London Underground Ltd back to their senses!

WE DON'T WANT **YOU** TO BE NEXT!!!

An Injury to One is an Injury to ALL!
