Come to your branch and help with the decision to ballot all LUL members to get all of the 33s back to work. **Just before Christmas 2012, 33 RMT members on the north end of the Bakerloo Line were sacked by LUL.** Many of them worked for LUL for over 5 years, only to be told they had failed the entrance tests for full time work. This broke an agreement with the RMT. The 33 were sacked due to LUL ending their contract a year early. It was agreed that the 33 would be migrated into LUL. It is also clear LUL have colluded with the agencies to rob staff of over £1500.00 each in back
