## REMOVAL OF DETRAINMENT STAFF

*Dear Members,*

All Train Operator and Instructor Operator members on the Bakerloo, Central, District, Hammersmith & City, Jubilee, and Victoria Lines have delivered fantastic mandates to take industrial action against the company's plan to introduce flash and dash. We aim to maintain manual detrainment of our trains before going into sidings.

Due to anti-trade union laws, this ballot mandate will expire on Wednesday, 31st July, making it necessary to ballot members again to renew the mandate. Please support and promote this ballot. Please ensure that you return your ballot paper promptly by putting an "X" in the yes boxes for
