

REINSTATE NOEL ROBERTS IMMEDIATELY

NOEL ROBERTS – 26 YEARS ON LONDON UNDERGROUND

SACKED BY LUL DESPITE BEING FULLY FIT FOR WORK

- **LUL say Noel is fit for ALL duties**
- **Occupational health say Noel is fit for work**
- **His GP says Noel is fit for work**
- **His consultant says Noel is fit for work**
- **Even the GSM at East Ham says Noel is fit for work**
- **Everyone agrees Noel is fit for work – So why has he been sacked?**

The decision to medically terminate a fully fit member of staff is as worrying as it is gets. LUOH have imposed restrictions on a fully fit member of staff to facilitate the sacking.

Noel has been back at work for 10 months, with NOT ONE day off sick.

The GSM refused Noels request to resume to full hours and full duties; then sent him to redeployment for not working full duties; then refused him to return to work when LUOH passed him fit for ALL duties

The RMT demand the immediate reinstatement of Noel Roberts
