

# Petition - SOS: Staff Our Stations

We the undersigned oppose London Underground's plan to cut up to 800 stations jobs and to severely cut ticket office opening hours. We value an open ticket office, and the assistance and safety role of staff.

The image shows a large, semi-transparent watermark of the 'SOS: Staff Our Stations' logo overlaid on the petition form. The logo features a stylized train in the background, with the letters 'SOS' in a large, bold, outlined font across the middle. Below this, the words 'STAFF OUR STATIONS' are written in a smaller, spaced-out font. The logo is set against a red and grey background.
