

Transformation Mass Meeting

As part of the transformation consultation, the RMT have organised a Mass Meeting to feedback to our members involved in this reorganisation and decide our next course of action.

The meeting will take place at 14:00 - 16:00, Tuesday 8th May in the Mahatma Ghandi Hall, Indian YMCA, 41 Fitzroy Square, London W1T 6AQ.

(The nearest station are Great Portland St or Warren St Tubes)

The agenda for the meeting is:

1. Feedback and Reports from the Negotiating Reps on TfL, LUL and JNP
2. Questions from the floor, and then a response from your reps.
3. A decision on what actions to take next.

The reality is that talks have been very hard and there has been a lot of misinformation and errors circulated. However, this is your chance to come and have your say and guide your union on how to take this matter forward or how we will oppose these changes.

The RMT London Transport National Executive (NEC) Member, Andy Littlechild will be in attendance to receive your feedback and report back directly to Unity House.

The meeting is open to **ALL RMT MEMBERS** and those staff that are affected and want to join our union to oppose cuts in any way our members and NEC direct us.
